

Presenting at NMAS Research Symposium

Abstract submissions for oral and/or poster presentations are **due by midnight on October 6, 2019**. Presenters will be **notified by October 11** of acceptance/non-acceptance. All accepted abstracts will be published in the *2019 New Mexico Journal of Science*.

Abstract Format

Your abstract should contain the following elements:

- Abstract Title
- Author First and Last Name, Author Institution
- Co-author First and Last Name, Institution (add co-authors as applicable) *optional*
- Body of the Abstract: General topic statement; Problem addressed; Summary of state of the field; Research methods; Results; Implication/impact
- Keywords (up to five)

Guidelines for Abstract Submission

1. Abstracts must be uploaded during registration as a Word file (.doc or .docx). The title of the abstract file **must** contain the lead author's last name.
2. Abstracts are limited to 300 words.
3. By submitting an abstract, you are granting NMAS and NM EPSCoR permission to publish it in the abstract compilation and to disseminate it electronically.
4. Please ensure that you submit an abstract for the correct session type (oral, poster, or both).

ORAL Presentations

- Oral presentations are presented using visual presentation software, e.g., PowerPoint or Google Slides.
- Each oral presentation is allotted 20 minutes including questions.
- Computers and digital projectors are provided.
- Oral presentation session times: Session I (9:00 am to 10:30 am); Session II (10:50 am to 12:20 pm).

POSTER Presentations

- Presenters are expected to print their own posters.
- Posters must be 48" x 36".
- All student posters will be judged for an opportunity to win prizes!
- Poster session is 2:00 to 3:30 pm; presenters must be present.
