UNM Student Union Building Albuquerque, NM

GUIDELINES FOR SUBMISSION

ORAL & POSTER ABSTRACTS

- Abstracts must be entered in the text box during registration. Pro tip: Write your abstract in a word processor first and copy/paste it into the text box.
- Please ensure that you submit an abstract for the correct session type (oral, poster) during registration.
- Abstracts should contain: General topic statement; Problem addressed; Summary of state of the field; Research methods; Results; Implication/impact.
- Carefully review the abstract before submission for any spelling, grammatical, and typographical errors.
- Submissions should be no longer than 250 words, with 3-5 keywords.
- Use active voice and write clearly and concisely. **Avoid jargon.**
- Need tips for writing an abstract? View our NMRS How to Write an Abstract video.

POSTER PRESENTATIONS

- A **poster** presentation is a visual presentation of a problem statement, objectives, methods and data, results, and conclusions of your original research.
- Presenters are expected to print their own posters.
- Posters are exhibited for informal browsing with opportunities for individual discussion with poster authors.
- **Posters must be no larger than 4 ft wide x 3 ft long (48 in x 36 in). Posters that do not meet these size requirements may be subject to disqualification.**
- All student posters will be judged for an opportunity to win prizes!

ORAL PRESENTATIONS

- An **oral** presentation provides the problem statement, objectives, methods and data, results, and conclusions of your original research using visual presentation software.
- Each oral presentation slot is allotted 20 minutes. 15 minutes for the presentation and 5 minutes for post-presentation questions & discussion.
- Computers and projectors for oral presentations are provided.

DISCLAIMER

The 2023 New Mexico Research Symposium is an open forum for sharing the results of research and teaching. The contents of presentations by individuals or groups at the Symposium are theirs alone. Event partners neither endorse nor disclaim the conclusions, interpretations, or opinions expressed by speakers at this symposium. New Mexico EPSCoR is funded by the National Science Foundation (NSF) award #OIA-1757207. Any opinions, findings, conclusions, or recommendations expressed are those of the author(s) and do not necessarily reflect the views of the National Science Foundation.
