

STEM Advancement Program 2020 Application Information

DEADLINE - February 21, 2020

Instructions

1. Request or download an unofficial transcript from your current college or university. Save as a PDF.
2. Find at least one faculty member who is willing to be contacted to provide you with a reference. Make note of their phone number and email address to include in the application. Tell your references to expect an email from NM EPSCoR with the subject line "Reference Request for STEMAP Program."
3. Draft and edit your responses to the Essay Questions in a word processing program. You will not be able to save your work and return to complete the application.
4. Fill out the application.
5. Review your application before hitting the submit button; your application can only be submitted once.

We will send you a confirmation email and contact your references after your application is submitted.
